Tsunami Evacuation Wayshowing Project

Claudine Jaenichen, Chapman University

Cognition / Comprehension

Semiotics

Implementation

Maximum Visibility

Cognition / Comprehension

Theories that effect decision-making

Unconscious personality (subconscious reaction)

Tunnel vision (weakness in problem-solving)

Leader influence (physical presence of authority)

Collective behavior (what the neighbor's are doing)

From *Reactive* to *Preventive*

Environmental influence (wayshowing/signage)

Path knowledge (improving cognitive map
