CLERB CASE NUMBER: 22-100

Dear Eileen Delaney,

The Sheriff's Department welcomes and supports the Citizens' Law Enforcement Review Board's independent review of complaints alleging improper actions by members of this organization. We continuously strive to respond with professionalism and concern to the citizens we serve, and the CLERB process provides invaluable input to that end.

After reviewing the CLERB Investigator's report and the Review Board's advisory Recommendation letter dated November 15, 2022, the Sheriff's Department understands the concerns expressed by the CLERB members, and we will review the findings accordingly.

During your investigation, the complainant stated the Deputy failed to acknowledge the complainant while on patrol. The complainant approached the Deputy, and he drove away. Your finding on this investigation was sustained under SDSD policy 2.22 entitled "Courtesy."

This has been shared with the Deputy's command staff to determine appropriate administrative action, which may include additional training, and/or a referral for an Internal Affairs investigation.

Our goal is to provide the highest quality public safety services to everyone in San Diego County. We appreciate your service to the citizens of the County of San Diego.

Sincerely,

ANTHONY C. RAY, SHERIFF
