Subject: Announcement **CLERB Community Engagement Page**
Importance: High

Hello CLERB members and staff,

I'm thrilled to announce the launch of CLERB's first-ever Community Engagement Page—a dedicated space for our stakeholders to share their voices and help shape our future. This platform is part of our ongoing commitment to transparency, partnership, and making a positive impact in our community.

Our first initiative invites you to participate in shaping CLERB's 2025 goals. By taking part in our survey, you can directly influence the areas we prioritize and ensure our work reflects what matters most to our community. Visit the [Engage San Diego County](#) page to learn more and access the survey.

To reach as many voices as possible, I encourage you to share this announcement with your contacts. Together, let's expand awareness and build a stronger, more accountable future for everyone.

The survey is open now and will close on **December 20, 2024**—don't miss this chance to make a difference!

Thank you,

Nawras Hakak, MBA
