

COUNTY OF SAN DIEGO VECTOR CONTROL PROGRAM

Free Services Available

Help With Mosquito Problems

Getting a lot of mosquito bites? Request a mosquito consultation for your home! You can also report high levels of mosquitoes or breeding sources such as green (unmaintained) pools.

Free Mosquitofish

Get free fish that eat mosquito larvae to help control mosquitoes in your pond or pool.

Rodent Consultations

Noticing rats or mice around your home? Request a consultation*. Learn how to keep your home safe from rats and mice and get a free rodent control starter kit (including a trap).

Brochures And Presentations

Ask us for brochures or to come give a presentation to your neighborhood group! Visit SDVector.com for more information.

*We are not pest control and do not trap, bait, or remove rats and mice. Rat inspections are an educational service only.
