Aboveground Petroleum Storage Act (APSA) Workshop

County Operations Center Chambers
5520 Overland Ave. San Diego, CA 92123
February 5, 2025 9:00 am - 11:00 am

The San Diego County Certified Unified Program Agency (CUPA) is inviting you to attend a workshop on the Aboveground Petroleum Storage Act (APSA).

Your facility may be subject to APSA if you store petroleum-based liquids in aboveground tanks with an aggregate capacity of at least 1,320 gallons, or if you have a Tank In An Underground Area (TIUGA) of any size.

Our APSA Technical Leads will provide an overview of APSA requirements, inspections, permitting, upcoming changes, and helpful resources. At the end of the presentation there will be time for a question-and-answer session. ***Please note* this workshop will cover the same topics that were presented during the 10/17/2024 APSA workshop**

You can opt to attend in person or virtually for your convenience. Please RSVP by January 29, 2025, and indicate whether you will attend in person or online.
