I think he may be referring to the Williamson Act Non-Renewal in 1988. I have requested a copy of the document you cited below and will let you know if that is the case.

Thanks,

Ashley

Ashley,

I received a call from Mr Joseph Brown – landowner of the Tierra Del Sol Soitec site. He informed me that he had applied for, and received notification of, disestablishment of the Ag Preserve designation for that site. Can you research the following recorded document – Recorded Dec. 1, 1987, page 87-663761 and let me know what you find out?

Thanks,
Rob

Hello Mr. Depagter,

Can you please tell me if there is a Williamson Contract on APN 658-090-31-00 (Ag Preserve No. 96) and if so, has it ever been cancelled (or in non-renewal)?

Thank you for any information you can provide.

Dennis
