Attachments: SoitecSitesPlusLosRobles-AerialBase.pdf

Ms. Glynn,

As a follow-up from our conversation earlier this afternoon, I have attached a map showing the locations of the four proposed Soitec Solar sites. The parcel numbers of the sites south of I-8 are: LanWest – a portion of APN 612-091-18; LanEast - a portion of APN 612-091-18 (124 acres total), 613-030-37 (155 acres), and 613-030-38 (8 acres); and, Tierra Del Sol – APNs 658-090-31 (156 acres), 658-090-54 (117 acres), 658-090-55 (97 acres), 658-120-02 (16 acres), and 658-120-03 (34 acres). A map is attached showing the locations of the proposed sites.

Your parcel appears to be located southwest of the 8-acre parcel that comprises the southeast corner of the LanEast site (613-030-38).

Project documentation that was released for public review can be found at:

<http://www.sdcounty.ca.gov/pds/ceqa/Soitec-Solar-EIR.html>

The Administrative Record that includes public review comments can be found at:

<http://www.sdcounty.ca.gov/pds/ceqa/Soitec-Solar-EIR.html>

As these documents are arranged in chronological order, you will find most public comments within the time frame of the public review period which was between January 2 and March 3, 2014.

Finally, you will continue to receive notice of any future public review periods (if necessary) and hearings regarding the project.

Thank you,

Robert Hingtgen, Planner III
