# Warteena Biyaha ee San Luis Rey

**Waraha biyuhu waa dhul soo jiita biyaha oo mara kanaallada, hawooyinka iyo wabiyada kadibna biyaha iskugu geeya meel godan – badanaa badda.**

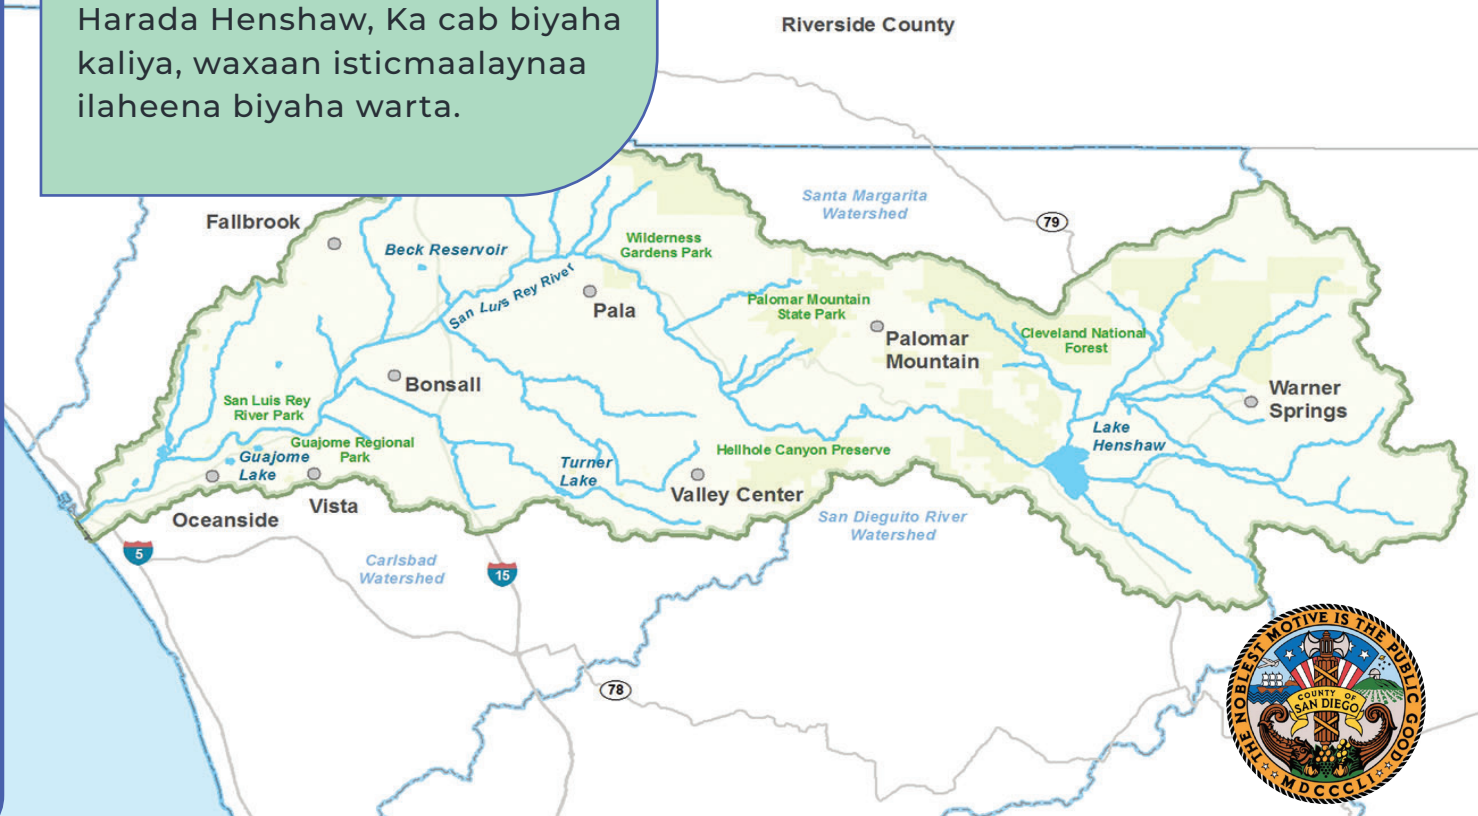

***Waxaan ku tiirsan nahay warteena biyaha in ka badan inta aad isleedahay.***

Mar kasta oo aan ku dalxiisno Beerta nasiinada ee Guajome, aan kaam ka samaysano Harada Henshaw, Ka cab biyaha kaliya, waxaan isticmaalaynaa ilaheena biyaha warta.

Warta biyaha ee San Luis Rey waa 1 kamid ah 11 warood ee biyaha ee ku dhex yaala Ismamaulka San Diego. War-biyoodka San Luis Rey waxay ka bilaabataa buuraleeyda bariga Ismamaulka San Diego meel u dhow Warner Springs waxayna biyaha ku shubtaa Badwaynta Baasifiga ee marta Oceanside. Haddii aad ku nooshahay aga wartaan biyaha, talaabooyinka aad ku samayso gurigaaga iyo deegaankaaga ayaa naga caawin kara kor u qaadista tayada biyaha ku jira wabiyadeena, harooyinka, iyo badwaynta.

## Qariirada Warbiyoodka San Luis Rey

## **Waxaan ka ilaalin karta waraena biyaha dhowr tilaabood oo kaliya!**

Biyaha soo raaca warteena biyaha ayaa soo qaada wasaqda sida bakteeriyada, iyo qashinka, kaasoo sumayn kara marinadeena biyaha. **Muhiimada koowaad ee Warta Biyaha ee San Luis Rey waa in laga hortago sunta bakteeriyada, sida qashinka xayawaanka rabaayada ah tusaale ahaan.** Marka aan nahay dadka deegaanka, waa hawl noo taala inaan nadiifino. Talaabada qof kasta ayaa isbadel wayn keenaysa.
