CSA-17 JULY 2023 COMMUNITY & PUBLIC EDUCATION

NEW CLINICAL INITIATIVES

Buprenorphine (Suboxone) Pilot Program

AMR partnered with the County to launch the County of San Diego Emergency Medical Services (CoSD EMS) prehospital Buprenorphine (Suboxone) Pilot Program. Effective October 2, 2023, two AMR units in the San Dieguito EMS District were the first in the County to participate in this program.

New CoSD EMS Protocol [S-145 Opioid Withdrawal/Opioid Use Disorder](#) defines the requirements for patients to be eligible. If a patient is determined to be in acute opioid withdrawal and eligible for the program, they will receive Buprenorphine (Suboxone) and a “warm hand-off” to medication assisted treatment.

We are excited to partner with County of San Diego Emergency Medical Services on this innovative and exciting new program to assist in mitigating the opioid epidemic and provide our patients with the highest level of care possible.

CSA-17 JULY 2023 COMMUNITY & PUBLIC EDUCATION

NEW CLINICAL INITIATIVES

ECPR Pilot Program

The EMS Medical Director has approved new protocols effective July 1, 2023, that specify inclusion criteria for the ECPR Pilot Program. Patients identified by paramedics in the field via [S-127A ECPR criteria](#) will be eligible for transport to an ECPR Receiving Center. As additional hospitals qualify for participation, County EMS will add them to the Pilot Program.

Out-of-hospital cardiac arrest patients meeting specific criteria may benefit from rapid transport to a hospital staffed and equipped to provide extracorporeal cardiopulmonary resuscitation (ECPR) using extracorporeal membrane oxygenation (ECMO). National and international EMS systems adopting this new resuscitation model have established 24/7 ECPR-capable receiving facilities for these patients.
