Dr. Claire Gahm is an EMS Fellow at UC San Diego. She completed a pediatrics residency and chief year at Rainbow Babies Hospital in Cleveland, OH and a combined Pediatric Emergency Medicine/Global Health Fellowship at Texas Children's Hospital in Houston.

During her fellowship, she completed her MPH degree at UT-Houston and served for a year as an Emergency Medical Services for Children Innovation and Improvement Center (EMSC EIIC) Fellow focused on projects for pediatric disaster preparedness.

Most recently she has served as a community health lead for the Administration for Strategic Preparedness and Response (ASPR) Center of Excellence grant for the Gulf region as well as Associate Medical Director for the San Diego Fire Department Paramedic Program.

Her interests include paramedic education, global pediatric disaster readiness and global EMS system development.
