**Speaker: Dr. Steven C. Campman**

Dr. Campman is San Diego County’s Chief Medical Examiner. He earned his B.S. in Biology from Loyola Marymount University in 1987; graduated from Creighton University School of Medicine in Omaha, in 1992, and completed residency in Anatomic and Clinical Pathology at the University of California, Davis Medical Center, in 1997.

Following fellowship training in Forensic Pathology at the Sacramento County Coroner’s Office in 1998, he went to work for the US Air Force. He was stationed at the Office of the Armed Forces Medical Examiner, the Armed Forces Institute of Pathology, in Washington DC, as Associate, then Deputy and Chief Deputy Medical Examiner for Medicolegal Operations and Investigations. In 2001, Dr. Campman joined the County of San Diego. He continued his military service until he retired as a Regional Medical Examiner in the Air Force Reserve.

He is Board Certified in Anatomical/Clinical, and Forensic Pathology, and leads the Medical Examiner’s Department while continuing to regularly perform autopsies and testify in CA Superior Court.
