# Alternate Public Defender

The County fulfills its obligation to provide indigent criminal defense services through several separate structures; the Public Defender, the Alternate Public Defender, the Multiple Conflicts Office and the Office of Assigned Counsel. The County's Public Safety Group has determined that it can provide the necessary indigent defense services more efficiently and economically, while preserving legally-required "ethical wall" separation of the services, by consolidating the four operations into one Department of the Public Defender. The Department of the Public Defender will be organized into separate offices including the primary public defender, the alternate public defender, the multiple conflicts office, the office of assigned counsel, dependency services and administration.

The total expenditures included in the CAO Proposed 2009-11 Operational Plan for the Department of the Alternate Public Defender was \$15.6 million. These expenditures have been moved from the Alternate Public Defender to the Department of the Public Defender and are reflected here in the revised Proposed Operational Plan.

### Fiscal Year 2009-10

- Proposes a decrease of 95.00 staff years due to the consolidation of all indigent defense services into one Department of Public Defender as approved by Board of Supervisors May 12, 2009 (1) and June 16, 2009 (24).
- Proposes a decrease of \$15.6 million due to the consolidation of all indigent defense services into one Department of Public Defender.

### Fiscal Year 2010-11

- Proposes a decrease of 95.00 staff years and \$15.8 million as described above.

# Public Defender

The County fulfills its obligation to provide indigent criminal defense services through several separate structures; the Public Defender, the Alternate Public Defender, the Multiple Conflicts Office and the Office of Assigned Counsel. The County's Public Safety Group has determined that it can provide the necessary indigent defense services more efficiently and economically, while preserving legally-required "ethical wall" separation of the services, by consolidating the four operations into one Department of the Public Defender. The Department of the Public Defender will be organized into separate offices including the primary public defender, the alternate public defender, the multiple conflicts office, the office of assigned counsel, dependency services and administration.

The total expenditures included in the CAO Proposed 2009-11 Operational Plan for the Department of the Public Defender was \$63.2 million. Total expenditures included for the Department of the Alternate Public Defender was \$15.6 million. The consolidation of these two organizations is reflected here in the revised Proposed Operational Plan.

**Fiscal Year 2009-10**

- Proposes an increase of 95.00 staff years due to the consolidation of all indigent defense services in the Department of Public Defender as approved by the Board of Supervisors on May 12, 2009 (1) and June 16, 2009 (24).
- Proposes an increase of \$15.6 million due to the consolidation of all indigent defense services into one Department of Public Defender.

**Fiscal Year 2010-11**

- Proposes an increase of 95.00 staff years and \$15.8 million as described above.

# Health and Human Services Agency Changes

## Health and Human Services Agency Summary

### Staffing by Department

The Health and Human Services Agency staffing level in the revised Proposed Operational Plan is 5,482.00 staff years for Fiscal Year 2009-10 and 5,466.00 for Fiscal Year 2010-11. This is an increase of 5.00 staff years (0.1%) from the CAO Proposed Operational Plan and a proposed decrease of 195.50 staff years or -3.4% from the Fiscal Year 2008-09 Adopted Operational Plan.

The significant proposed change for Fiscal Year 2009-10 from the CAO Proposed Operational Plan includes:

- The addition of 5.00 staff years in Public Health Services for Fiscal Year 2009-10 due to increased laboratory and surveillance work related to the recent H1N1 flu outbreak that may extend through the fall and winter months. These positions are not included in Fiscal Year 2010-11 as the Agency is working towards using an outsourcing strategy in the future when needing to temporarily increase resources to address pandemic flu issues.

### Expenditures by Department

The Health and Human Services Agency expenditures in the revised Proposed Operational Plan are \$1.9 billion for Fiscal Year 2009-10 and Fiscal Year 2010-11. This is an increase of \$13.1 million (0.7%) in Fiscal Year 2009-10 from the CAO Proposed Operational Plan, for a total proposed increase of \$63.2 million or 3.5% over the Fiscal Year 2008-09 Adopted Operational Plan.

Significant proposed changes for Fiscal Year 2009-10 from the CAO Proposed Operational Plan include:

- \$6.6 million for the In-Home Supportive Services program (IHSS) due to a negotiated wage increase for Individual Providers who provide in-home assistance to low-income aged, blind and disabled individuals. This proposal is funded primarily with federal and State IHSS Personal Care revenue, as well as with the use of the County's Designated Realignment fund balance.
- \$5.4 million for the Central Region's Community Action Partnership for services to assist persons in becoming self-sufficient. American Recovery and Reinvestment Act of 2009 (ARRA) funds will be used to augment the Community Services Block Grant (CSBG) to preserve and create jobs, promote economic recovery, and to provide emergency food and housing to those most impacted by the recession.
- \$0.8 million for Public Health Services for salaries and benefits and contracted services for increased laboratory and surveillance work related to the recent H1N1 flu outbreak, and for pandemic flu outreach and education efforts. This increase is funded through an offsetting decrease of \$0.8 million in Administrative Support, from the emergency bioterrorism/pandemic reserve.
- \$0.6 million for Aging and Independence Services (AIS) for senior nutrition and employment services. Funding through ARRA will be used to provide meals to seniors in need of food; to provide congregate and home-delivered nutrition services; and to increase the number of seniors served by the Senior Community Employment Program.

- \$0.3 million for AIS for educational efforts and investigation of financial abuse of seniors and dependent adults. These augmented services are funded with Indian Gaming Special Distribution Funds.
- \$0.2 million for the North Inland Region for outreach, education and case management services for Native American families and children dealing with family issues including addictive behaviors, domestic violence, mentoring, crisis intervention and other services. These efforts are funded with Indian Gaming Special Distribution Funds.

# Aging & Independence Services

## Fiscal Year 2009-10

### In-Home Supportive Services (IHSS)

- Proposes an increase of \$6.6 million due to a negotiated wage increase for IHSS Individual Providers who provide in-home assistance to low-income aged, blind and disabled individuals allowing them to remain safely in their homes and avoid out-of-home placement. This proposal is funded primarily with federal and State IHSS Personal Care revenue, as well as with the use of the County's Designated Realignment fund balance. This designation was established during good economic times when Realignment receipts exceeded demand for services. This designation is being utilized now to mitigate a projected reduction in Realignment receipts in the coming year.

### Senior Health and Social Services

- Proposes a one-year increase of \$0.6 million for senior nutrition and employment services. Funding through the American Recovery and Reinvestment Act of 2009 will be used to provide meals to seniors in need of food; to provide group and home-delivered nutrition services; and to increase the number of seniors served by the Senior Community Employment Program.

### Protective Services

- Proposes a one-time increase of \$0.3 million for educational efforts and investigation of financial abuse of seniors and dependent adults, and to provide tangible services to vulnerable seniors and dependent adults who have put themselves at risk due to problems with gambling or who are being victimized by others. These services are funded with Indian Gaming Special Distribution Funds.

## Fiscal Year 2010-11

### In-Home Supportive Services

- Proposes an increase of \$7.2 million funded by federal and State IHSS Personal Care revenue and the County's Designated Realignment fund balance for the IHSS Individual providers for a negotiated wage increase. See discussion above for further details.

## Fiscal Year 2009-10

Bioterrorism / EMS, Infectious Disease Control and Surveillance

- Proposes an addition of 5.00 staff years and an increase of \$0.4 million in appropriations and revenue in Public Health Services due to increased laboratory and surveillance work related to the recent H1N1 flu outbreak that may extend through the fall and winter months. These positions are not included in Fiscal Year 2010-11 as the Agency is working towards using an outsourcing strategy in the future when needing to temporarily increase resources to address pandemic flu issues. This increase will be funded through a corresponding decrease in appropriations and Tobacco Settlement revenue from Administrative Support, from the emergency bioterrorism/pandemic reserve.
- Proposes an increase of \$0.4 million of appropriations and Tobacco Settlement revenue to provide contracted services for pandemic flu outreach and education efforts. This increase will be funded through an offsetting decrease in appropriations and Tobacco Settlement revenue from Administrative Support, from the emergency bioterrorism/pandemic reserve.

# Administrative Support

## Fiscal Year 2009-10

### Agency Executive Office

- Proposes a one-year decrease of \$0.8 million in appropriations and Tobacco Settlement revenue due to an offsetting increase in Public Health Services to support pandemic flu preparedness and response activities. The Health and Human Services Agency maintains an emergency reserve in Administrative Support to be used in case of a bioterrorism or pandemic event. A portion of this reserve is proposed to be used in Public Health in Fiscal Year 2009-10 due to the recent H1N1flu outbreak that may extend through the fall and winter months.

Significant proposed changes for Fiscal Year 2009-10 from the CAO Proposed Operational Plan include:

- \$7.0 million in a federal grant for hazardous fuels reduction activities, including removing brush, and dead, dying and diseased trees.
- \$0.7 million in the Community Development Block Grant Program – American Recovery and Reinvestment Act of 2009 (ARRA) for purchase of fire apparatus for the Warner Springs Community which will allow firefighters to minimize structure loss during a fire.
- \$0.5 million in grant revenue from the Indian Gaming Special Distribution Funds for the purchase of fire apparatus which will allow firefighters to minimize structure loss during a fire.
- \$0.2 million for staff cost to implement the Beach Water Quality Monitoring Program. The funding source is a revenue agreement with the California Department of Public Health.

# Air Pollution Control District

## Fiscal Year 2009-10

Proposes the following rebudgets:

- \$5.6 million to resume the implementation of the Lower-Emission School Bus Program portion of Proposition 1B, *the Highway Safety, Traffic Reduction, Air Quality and Port Security Bond Act of 2006*, funded by the State Air Resources Board, as approved by the Air Pollution Control Board on July 23, 2008. These funds will be used to replace and retrofit eligible diesel-fueled school buses. The State suspended the program and the release of these funds in December 2008, but is expected to lift that suspension in the coming months.
- \$620,000 to resume the implementation of the Goods Movement Emission Reduction Program (GMERP) portion of Proposition 1B funded by the State Air Resources Board, as approved by the Air Pollution Control Board on September 24, 2008. These funds will retrofit, repower or replace trucks operating at the Unified Port of San Diego and other heavy-duty trucks active in the goods movement industry. The State lifted the suspension of the program and released the funds on May 19, 2009.
- \$175,000 for the Air Quality GMERP Match Fund based on available fund balance as matching funds for this Proposition 1B program related to eligible port trucks as described above.

# Environmental Health

### Fiscal Year 2009-10

- Proposes a net increase of \$0.15 million for staff cost to implement the Beach Water Quality Monitoring Program which reduces one-time salary adjustments and provides funding for overtime as needed. The funding source is a revenue agreement with the California Department of Public Health. Since the funding source will now be the California Department of Public Health, rather than General Fund fund balance, there is a corresponding decrease in General Fund fund balance in the department's Operating budget.

# Parks and Recreation

## Fiscal Year 2009-10

- Proposes to cancel appropriations of \$1.8 million and related revenues in the Development Division. These funds were budgeted as Major Maintenance for photo voltaic, water conservation and energy upgrades for various park facilities. Since that time, it has been determined that because of the usage of these monies, improvements to facilities, they should be budgeted in the Capital Outlay Fund. This proposal moves the funds to the Capital Outlay Fund for the following two projects: Guajome Park Photovoltaic System (\$1.1 million) and Sweetwater Lane Artificial Turf Improvements (\$0.7 million).

# Planning and Land Use

## Fiscal Year 2009-10

### Advanced Planning

- Proposes the following rebudgets:
  - \$45,000 for consultant contracts for work on the Pedestrian Master Plan offset by State Transportation Development Act funding received from the San Diego Association of Governments (SANDAG). The primary purpose of the County's Pedestrian Master Plan is to create a framework for developing and implementing physical master plans for a network of pedestrian facilities within the unincorporated areas of the county that will be coordinated with the General Plan Update. The Pedestrian Master Plan is a multi-year project and will be completed by January 2010.
  - \$35,000 for consultant work on the Community Development Block Grant funded Ramona Village Design Phase II project, which is offset by an operating transfer from the Department of Housing and Community Development Special Revenue Fund. Grant funds were received in March 2009 and will not be completely expended in Fiscal Year 2008-09, but should be expended by January 2010.
- Proposes a decrease of \$160,000 for consultant contracts for the General Plan Update and completion of subsequent Zoning Ordinance revisions based on revised estimates of remaining expenditures for Fiscal Year 2008-09. The General Plan Update is a multi-year project to revise the San Diego County Comprehensive General Plan that forms the framework for growth in the unincorporated communities in the county.

### Project Planning

- Proposes a decrease of \$0.3 million in Salaries and Benefits related to the freezing of three vacant positions in response to the continued impact of a downturn in the land development industry that has resulted in a reduction in permit fee revenue.

### Multiple Species Conservation Program (MSCP)

- Proposes the following rebudgets:
  - \$91,430 in consultant contracts for completion of the North County MSCP Plan offset by grant funding from the U.S. Fish & Wildlife Service (USFWS). The MSCP is a 50-year plan to streamline the development process and to facilitate the creation of a biologically viable permanent open space preserve system.
  - \$60,570 in consultant contracts for the East County MSCP Plan offset by grant funding from the USFWS.

### Fire Prevention

- Proposes an increase of \$7.0 million based on a federal grant for hazardous fuels reduction activities, including removing brush, and dead, dying and diseased trees as approved by the Board of Supervisors on May 13, 2009 (3). To help prevent wildfires like those experienced in 2003 and 2007, the Board established the Fire Safety and Fuels Reduction Program to resourcefully and effectively implement a comprehensive program in fuels reduction activities. This grant will fund activities through Fiscal Year 2012-13.

- Proposes an increase of \$660,000 for the Warner Springs Community for the purchase of fire apparatus, which will allow firefighters to minimize structure loss during a fire, based on Community Development Block Grant Program – American Recovery and Reinvestment Act of 2009 (ARRA) funding.
- Proposes an increase of \$492,500 for the purchase of fire apparatus, which will allow firefighters to minimize structure loss during a fire, based on grant revenue from the Indian Gaming Special Distribution Funds.
- Proposes the following rebudgets:
  - \$0.9 million in consultant costs and acquisitions related to the Fire Prevention Program to continue to supplement fire services and apparatus in the unincorporated area of the county based on Department of Planning and Land Use fund balance. Due to the procurement process, these funds will not be expended in Fiscal Year 2008-09, but should be expended by spring 2010.
  - \$80,000 in grant revenue from the McCormick Grant. This grant will be used to purchase computers and associated equipment for fire agencies. Due to the procurement process, these funds will not be expended in Fiscal Year 2008-09, but should be expended by fall 2009.
- Proposes a decrease of \$0.6 million in grant revenue for hazardous fuels reduction activities that was approved by the Board of Supervisors on April 23, 2008 (9). These funds were rebudgeted in the CAO Proposed Operational Plan, but the contracts were completed and the expenditures incurred in Fiscal Year 2008-09 and will be reimbursed this fiscal year.

County Service Areas (CSA) – Fire Prevention Program

- Proposes the addition of \$10,862 to reflect revised expenditure and revenue projections for CSA 107 – Elfin Forest Fire District. The funding source is property tax revenue.

## Fiscal Year 2009-10

### Engineering Services Program

- Proposes the rebudget of \$2.7 million for the construction of the Division I Headquarters Signalized Entrance project based on fund balance of \$1.9 million available in the Road Fund and revenue of \$0.8 million from the Spring Valley, Alpine, Lakeside and Wintergardens Sanitation Districts. Construction authorization was impacted in Fiscal Year 2008-09 by the delay in approval of the Caltrans Encroachment permit and consequently will continue in Fiscal Year 2009-10.
- Proposes an increase of \$1.5 million for consultant contracts to support new TransNet funded projects in the Detailed Work Program: Bridge Methacrylate, Asphalt Concrete Overlay, Culvert Rehabilitation/Repair, Culvert Lining and Jamacha Boulevard Signal Interconnect. San Diego Association of Governments (SANDAG) approved TransNet funding for these projects in May 2009.
- Proposes an increase of \$0.1 million for the construction of the Shockey Truck Trail Pedestrian Bridge based on fund balance available in the Road Fund. This bridge was destroyed by fire. The bridge traverses Campo Creek and is used by school children to get to the bus stop.
- Proposes an increase of \$0.05 million in contracts for road repair including the sealing and cleaning of cracks on various roads throughout the county based on fund balance available in the Road Fund. Proposition 1B, *the Highway Safety, Traffic Reduction, Air Quality and Port Security Bond Act of 2006*, funding was received in late Fiscal Year 2008-09 after the State was able to sell bonds making Proposition 1B funding available to the County of San Diego. Earlier information indicated that due to the troubled economy, funding would not be available until mid-Fiscal Year 2009-10.

### General Fund Activities Program

- Proposes a decrease of \$4.5 million for fire recovery projects to correct the CAO Proposed Operational Plan due to the use of Land Use and Environment Group (LUEG) funding in Fiscal Year 2008-09.
- Proposes the rebudget of \$6.0 million for the Woodside Drainage project to alleviate flooding in the vicinity of Woodside Avenue in the community of Lakeside based on LUEG fund balance. Delay in the award of the federal grant in Fiscal Year 2008-09 consequently delayed the construction contract and other project activities. The grant award is expected late in Fiscal Year 2009-10. Funds should then be expended in early Fiscal Year 2010-11.
- Proposes the rebudget of \$0.07 million for wastewater small system upgrades to rehabilitate aged equipment based on LUEG fund balance. Projects will continue into Fiscal Year 2009-10 due to the award of the construction contract occurring late in Fiscal Year 2008-09. Funds will be expended by mid-Fiscal Year 2009-10.

### Airports Program

- Proposes an increase of \$0.5 million for the Palomar Northside Ramp Phase II project based on grant revenue of \$0.47 million from the Federal Aviation Administration (FAA) and matching fund balance of \$0.02 million in the Airport Enterprise Fund. FAA revenue is expected in Fiscal Year 2009-10.
- Proposes an increase of \$0.2 million for a security contract based on fund balance in the Airport Enterprise Fund. An emergency contract for six months was secured in late Fiscal Year 2008-09 after the existing contractor was terminated for cause. Based on updated cost information, a budget increase is needed to ensure sufficient funding for a new contract in Fiscal Year 2009-10.

### Sanitation Districts

- Proposes an increase of \$4.0 million for construction of the Spring Valley Outfall Sewer Manholes project based on fund balance. Two projects, one of which was previously approved for \$2.0 million, were combined to maximize efficiencies and are scheduled to be brought to the Board of Supervisors for advertisement and award of a construction contract on June 17, 2009.
- Proposes an increase of \$0.6 million for Spring Valley District Rancho San Diego Pump Station Improvement to rehabilitate aged equipment based on fund balance. Frequency of repairs has necessitated earlier replacement of equipment.
- Proposes the rebudget of \$0.75 million for the construction of Division I Headquarters Signalized Entrance based on fund balance available in the Spring Valley, Alpine, Lakeside and Wintergardens Sanitation Districts. Construction authorization was impacted in Fiscal Year 2008-09 by delay in approval of Caltrans Encroachment permit and consequently will continue in Fiscal Year 2009-10.

### Equipment Internal Service Fund (ISF) Program

- Proposes an increase of \$1.0 million in the ISF-Equipment Operations fund for an operating transfer out to the ISF-Equipment Acquisition Road Fund to correct the budget based on available fund balance.
