Dear Michele:

This letter is to confirm that there is one individual currently employed by Public Resources Advisory Group (“PRAG”) that was employed by a broker dealer within the last two years. In particular, Matthew Sansbury was employed as a Director at RBC until October 29, 2024. He is in PRAG’s Florida office and will not be participating in the management, direction, supervision or performance of the activities related to PRAG’s work for the County of San Diego.

If you have any questions, feel free to contact me.

Sincerely,

A handwritten signature in black ink, appearing to read "Missa".
