RE: Grand Jury Report: “Low Income Parking Citation Payment Plan – Compliance with Vehicle Code §40220 Legislative Requirements

Dear Mr. Mendelson:

On May 31, 2022, the City of Oceanside received the Grand Jury Report (hereafter referred to as “Report”) pertaining to “Low Income Parking Citation Payment Plan – Compliance with Vehicle Code §40220 Legislative Requirements.” The Report states that the City has two-working days to comment on the Report commencing at the date/time of delivery, therefore the City respectfully submits the following comments. We understand that this two-day comment period is in addition to the 90-day time period set forth by statute.

The 2021/2022 San Diego County Grand Jury has recommended that the City of Oceanside revise their parking citation notices to be CVC compliant with the most recent AB 3277 amendment. Please note, however, that as of February 4, 2022, the following verbiage has appeared on the “notes” section of the City’s printed citations:

Violation 1: NO PARKING ZONE, STREET SWEEPING Code : OTC 10.3.1 Amount : \$58.00 *** TOTAL FINE: \$58.00 ***

(CVC 40220)

Further, as of February 14, 2022, both the Parking Enforcement Division and the Oceanside Police Department added stickers that are affixed to their written citations to include the required notification.

We appreciate the Grand Jury's recognition under "Finding 5" that the City of Oceanside's webpage(s) is now CVC 40220 compliant and respectfully request that a similar notation be included in the final report that acknowledges that parking citation notices are also compliant with CVC 40220 and the most recent AB3277 amendment.

Respectfully,

Jonathan Borrego
Interim City Manager
