Finalized Goals

- **Collaborate with CCRT to examine and address health care disparities and social determinants of health in communities of color, particularly around access to care and workforce goals.**
- **Work with the County, system partners, and the Housing Council to address social determinants of health, to include technology needs.**
- Continue to receive updates on Continuum of Care reforms, providing recommendations to the BHS Director from the Adult Council’s cross-disciplinary membership.
- Better understand and make recommendations regarding recent increases in overdose deaths.
- Work with system partners to respond to decreases in access to care and to explore new opportunities for collaboration.
