Assertive Community Treatment Services

Recommendation 1 – Authorize Competitive Solicitations

- Assertive Community Treatment (ACT) services provide intensive multidisciplinary services for those who have a serious mental illness, are experiencing homelessness, and have the highest need.

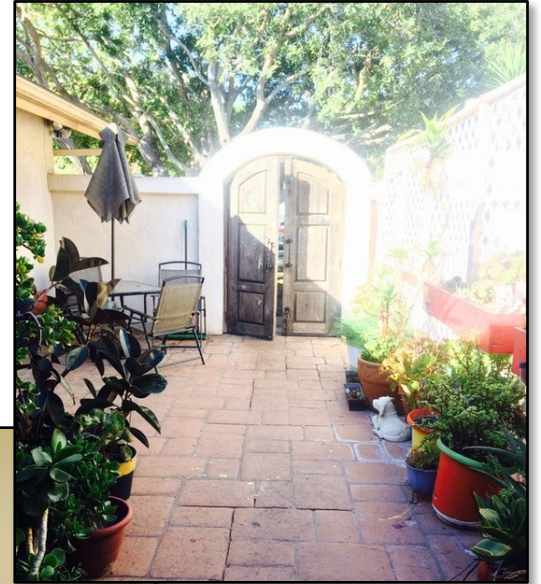

Short-Term Residential Therapeutic Programs

Recommendation 3 – Amend and Authorize Contracts for Short-Term Residential Therapeutic Programs (STRTP)

- STRTPs serve children and adolescents who are foster youth or justice involved, by providing comprehensive outpatient treatment services in a home-based setting.
- The aim is to improve mental health functioning, with a goal of increasing self-sufficiency, and help transition youth to a less restrictive, community-based, or family setting.
- Contracts with Milestone House, Center for Positive Changes, Amali, and a provider on the campus of San Pasqual Academy.

Milestone House STRTP

Supported Employment Contract Extensions

Recommendation 4 – Amend and Extend (2) Existing Contracts

- Supported Employment (SE) Continuum
 - Provides SE services to BHS clients

*FY 23/24 data
- SE Technical Consultant Services
 - Offers technical assistance to 38 BHS contracted programs that provide SE services
