DEFINITION

Intensive Care Coordination (ICC) is a service that is mandated for members of the Katie A Subclass and available through the EPSDT benefit to all children and youth under the age of 21 who are eligible for the full scope of Medi-Cal services and who meet medical necessity for these services. ICC is provided through collaboration between the members of a **Child and Family Team (CFT)**. A Child and Family Team must be identified in order to provide ICC. ICC requires active, integrated and collaborative participation by the provider and at least one member of the CFT. ICC is a service that is used for the identification and coordination of ancillary supports and systems which promote safety, permanency and well-being. ICC services are offered to clients with significant and complex functional impairment and/or whose treatment requires cross-agency collaboration.
