

Participation in Juvenile Court Hearings via Telephone or Microsoft Teams (MS Teams)

If you are interested in participating in the scheduled court hearing, you can participate by phone or attend virtually using Microsoft Teams (MS Teams). If you have trouble with this process, please contact your attorney, social worker or Juvenile Court Business Office for support.

To appear by telephone:

- Using the chart below, find your courtroom for your hearing (if unknown, contact your attorney or social worker).
- Call at the date and time of your hearing.
- You will be placed in the virtual lobby and the court clerk will add you when your hearing is ready to be heard, please keep your microphone on mute unless speaking to the court, as this limits background noise.
- If you are accidentally admitted into another person’s hearing, immediately notify the court by speaking up and you will be asked to exit the meeting and then you will need to call back in.

To appear virtually:
