

LGBTQIA+ TELEBRIEFING

The LGBTQIA+ telebriefing is held every other month, on the first Wednesday except when rescheduled due to special circumstances. The telebriefing is a community forum and communication platform. It provides timely public health information and solicits feedback from LGBTQIA+ community members and organizations supporting the LGBTQIA+ community. The meeting is conducted online via Zoom.

To be notified of upcoming meetings and to receive instructions on how to participate, please email phs_lgbtqhealth.hhsa@sdcounty.ca.gov and ask to be added to the County distribution list.

We encourage you to submit questions at least 24 hours before the telebriefing by emailing phs_lgbtqhealth.hhsa@sdcounty.ca.gov. Participants can also ask questions or make comments during the telebriefing using the online chat feature.
