

San Diego County Medical Reserve Corps (MRC) COVID-19 Vaccinators Needed

Updated 1/11/2021

Thank you for your interest in joining the San Diego Medical Reserve Corps (MRC) to assist with County of San Diego COVID-19 Vaccinations!

Spontaneous volunteer applications for licensed medical professionals are being accepted at this time for limited membership for COVID response. CA licensure required.

Vaccinators must be clinically active, or recently retired, professionals in the following occupations:

- Physicians
- Dentists
- Physician Assistants
- Nurses
- Pharmacists
- Pharmacy Technicians
- Medical Assistants
- Paramedics
- Dentists
- EMTs (first aid)

For the latest, visit the County of San Diego COVID-19 website at: www.sandiegocounty.gov/coronavirus

County News Center

Key Points:

- Flexible shifts are available
- Volunteers will be offered the opportunity to be vaccinated
- Volunteers are requested to commit to a minimum of two shifts per month
- Training and supervision will be provided
- Personal Protective Equipment (PPE) will be provided
- Registration and coverage through the [CA Disaster Service Worker Volunteer Program](#)
 - Provides worker's compensation coverage and limited immunity from liability when you are officially deployed
- Vaccinations occur in a variety of locations and may have limited accommodations
- **UPDATE: FEMA IS-100 and IS-700 are no longer required for vaccinators at this time**

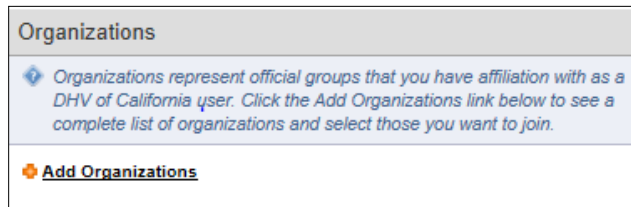

(Please see the next page for application instructions)

Do not self-deploy. MRC volunteers are deployed to County-operated and vaccination sites only. You must have an assigned County shift for Disaster Service Worker Volunteer Program coverage.
