Community Engagement Group Charge:

1) Educate Community Members

- Educate/train community members about the HIV Planning Group's local HIV services planning process and prepare them for and support them in increased involvement throughout the HIV Planning Group Process: committees, task forces, working groups, and other opportunities, as well as HIV Planning Group membership.

2) Increase Community Members' Participation

- Increase the level and diversity of community involvement, including from under-served and under-represented populations.
- Represent the needs of all community members, including those unable to participate in meetings.
- Provide linkages to regional and population-specific community groups and ensure communication between those groups and the Community Engagement Group.
- Identify and seek to overcome barriers to community participation.

3) Represent Community Member Needs Throughout the HIV Planning Group Process

- Provide community representation on HIV Planning Group committees, task forces, etc., and ensure the flow of information from those groups to the Community Engagement Group.
- Encourage maximum community involvement in the Priority Setting Committee and other established venues for the annual priority setting and budget allocations process; the Community Engagement Group will not develop separate budget recommendations.
- Serve as a venue for providing community feedback regarding HIV Planning Group issues (e.g., task forces).
