Background

County government includes those standing and special boards, commissions, committees and task forces formed to advise the Board of Supervisors and County staff on issues of policy and to serve as links to the community. County committees are created as a result of State and Federal legislation, agreements with public or private agencies, and local needs.

This Board Policy is outlined as follows:

- A. DEFINITIONS
- B. FORMATION OF NEW COMMITTEES
- C. COMMITTEE AND COMMITTEE MEMBER RESPONSIBILITIES
- D. APPOINTMENTS TO COMMITTEES/VACANCIES PROCESS
- E. COMMITTEE POLICIES AND PROCEDURES
- F. DEFENSE OF ADVISORY COMMITTEE
- G. SUNSET REVIEW OF COMMITTEES

A. DEFINITIONS:

For the purpose of this policy, COMMITTEE will be defined as:

Any board, commission, committee, council, panel, team, task force, or other similar group which is established by the Board of Supervisors to obtain advice, make recommendations on issues of policy, to make decisions, or hear and decide appeals. Committees composed wholly of County employees or members of the Board of Supervisors are not included in this definition. The Community Planning and Sponsor Groups are also not included in this definition, and are not subject to Board Policy A-74, as the policy and procedures for the establishment and operation of said groups are found in Board Policy I-1.

TASK FORCE will additionally be defined as:

A committee established by the Board of Supervisors to provide a final written report to the Board of Supervisors making recommendations, providing information or advice on a specific issue. The committee is of short-term duration, and the final

report shall contain a recommendation for dissolution of the Task Force once their designated task is completed.

B. FORMATION OF NEW COMMITTEES:

1. The Board of Supervisors shall have the authority to establish new standing and special committees. Committees may create sub-committees to perform specific tasks.
2. When a new committee is proposed, the Chief Administrative Officer shall first review to determine if any currently constituted committee would be appropriate and capable of fulfilling the duties proposed for the new committee.
3. Advisory committees shall be established by ordinance or resolution to insure the clear delineation of the committee parameters for future reference should it become necessary to provide defense or indemnification to the committee members. When a committee is created, the establishing directive shall define the purpose, responsibility of the committee, the proposed composition of committee membership, identify the nominating and appointing authorities, designate the length of terms and organizational placement, and note if committee members will receive travel expenses or compensation. A sunset review date should be noted for committees; a sunset and final report date should be noted for task forces.
4. Board letters to establish new committees shall be docketed with the Clerk of the Board in accordance with Board Policy A-72.
5. Upon formal action of the Board of Supervisors to create a new committee, the Clerk of the Board shall post a public notice of new committee positions showing vacancies.

C. COMMITTEE AND COMMITTEE MEMBER RESPONSIBILITIES:

1. Upon appointment by the Board of Supervisors, the Clerk of the Board will send to the new appointee a certificate of appointment, a copy of this Board policy, a copy of County Counsel's memorandum describing laws generally applicable to committee members, oath cards and any forms which the new appointee must file. It is the responsibility of the appointee to complete and file with the Clerk of the Board the oath cards and all other required forms prior to assuming office. It is the responsibility of the supporting department staff to ensure that newly appointed members have filed all required forms with the Clerk of the Board and have received the mandatory orientation noted in Section E.5 of this policy, prior to assuming office.
2. Members of County committees shall disclose to the Clerk of the Board of Supervisors in writing any outside employment or activity engaged in for compensation which relates to

their County duties or to the functions and responsibilities of the County department or agency which they serve or which may be subject to approval by any County officer or employee. This does not apply to committees that are purely advisory in nature.

3. No member of an advisory committee shall make, participate in making, or in any way attempt to use his/her position as a member of a committee to influence a decision in which he/she knows or has reason to know that he/she has a financial interest, except in those cases where the member is appointed to represent an entity or group having a financial interest in a matter coming within the committee's area of responsibility.
4. No person shall be appointed to or serve on a committee which participates in the making of County contracts in which such person is financially interested within the terms of Government Code section 1090 et seq. This prohibition is not applicable to persons with "remote interests" as defined in subdivision (b) of Government Code section 1091, provided that the person discloses the interest in accordance with subdivision (a) of Government Code section 1091 and the person does not influence or attempt to influence other committee members to act favorably in respect to the contract in which the person has a remote interest.
5. County committees are charged with advising the Board of Supervisors on the policies the Board establishes to guide the various functions of the County, and on the established procedures by which such functions are performed. Unless specifically designated in their establishing authority, the advisory committees are not charged with advising the Chief Administrative Officer regarding the CAO's function and responsibility to carry out the Board's policy decisions. Recognizing that this delineation of administrative authority has been established in County Charter, Section 501.9 - Non-interference, Board Policy A-98, and Board Policy A-72, requests from advisory committees which will involve response from County management staff should be in writing and signed by the Chairperson of the advisory committee. Staff responses requiring less than four (4) hours to research, prepare and submit an answer to specific requests readily obtainable should be responded to in an expeditious manner by the office or department to which addressed or assigned. More involved requests shall be discussed by the Chief Administrative Officer with the Chairperson of the Board of Supervisors and if necessary the requestor, and docketed with the Board for its direction. If the Board directs the Chief Administrative Officer to respond to the request, the Chief Administrative Officer will assign the matter to the appropriate staff within the County organization and monitor its progress to assure complete, coordinated and timely response.
6. County Committees shall be subject to the provisions of Government Code section 1098 - Confidential information; use or disclosure for pecuniary gain.
7. Committee Statement - All departmental communications to the Board of Supervisors on

new programs, program changes, contractual actions and requests for proposals (RFP's) where review of such contracts or RFP's is required under the establishing authority of the committee, or significant information about existing programs shall include a committee statement of its comments and recommendations. Proposals initiated by the Chief Administrative Office shall not be required to have a committee statement, but may seek input from the various advisory groups as deemed necessary.

8. Budget Review - committees having budget review responsibilities as a specific requirement of their establishing authority shall review the annual departmental budget and provide timely written comments to the Board of Supervisors prior to the public budget hearings.
9. Minutes - All committee meeting minutes shall be filed with the Clerk of the Board of Supervisors for the Communications Received for the Board of Supervisors Official Records and will be made publicly available.
10. Changes to Membership - The office of the Clerk of the Board of Supervisors shall be advised in writing of any changes to the membership, such as resignations, etc.
11. Travel Expenses - Members of designated committees shall be paid reasonable travel expenses for actual travel to and from their usual place of business to any committee meeting place of which they are a member and which is within the County. Members will be reimbursed at the mileage rate established in Section 472.2 of the Administrative Code.
12. Legislation - County committees are created to advise the Board of Supervisors - not the Legislature or Congress, with the exception of those committees which have been specifically mandated to advise other legislators under the government codes or laws establishing them. When a County committee wishes to make a recommendation on pending legislation to a legislative body other than the San Diego County Board of Supervisors, the committee shall submit recommendations or positions on legislation to the Department Head. The Department Head shall submit the committee recommendations to the Office of Strategy and Intergovernmental Affairs, noting the departmental position, relative to the Committee recommendations. The Office of Strategy and Intergovernmental Affairs shall inform the Board of Supervisors of the committee's recommendation or the CAO may place the committee and its recommendation on a future Board of Supervisors agenda.

If the Board does not agree with the committee and will not forward the recommendations to the appropriate legislative body, the committee members may, as individuals, contact the legislative body recommending certain actions. Transmittal of recommendations on County letterhead without prior Board approval violates the intent

of Board Policy M-2 (Legislative Advocacy). The exception being those committees which have been specifically mandated to advise other legislators under the government codes or laws establishing them. These committees may forward their recommendations per the requirements of their mandate.

13. Evaluation and Sunset Review - A sunset evaluation will occur on a scheduled basis to determine effectiveness of committees and the need for their continued existence. The Committee will be asked to provide data on costs, benefits, committee composition and other committee information.

D. APPOINTMENTS TO COMMITTEES/VACANCIES PROCESS:

1. General Provisions:

- a. The nominating and appointing authorities in selecting appointees to committees shall seek members that have an interest, necessary expertise, time available for service, and who are representative of the County population.
- b. Membership on a County committee shall be limited to two consecutive terms. “Two consecutive terms” means two terms that are served immediately one after the other or where the person begins their second term within two (2) years of finishing their first term. After a continuous two (2) year non-membership period, a person can again be appointed to serve on the County committee for which they had previously served two consecutive terms. For the purpose of this limitation, a term shall include any appointments to fill a vacancy for one-half or more of a term. Members of a committee whose terms have expired shall continue to serve until such time as they are either replaced or reappointed. This provision does not preclude a person from being immediately eligible to serve on a different County committee. A County committee that has a two consecutive term limitation in County ordinance, Board resolution, Board policy, or its by-laws may rely on this provision for determining when an individual would be eligible for re-appointment.
- c. The Clerk of the Board shall file a monthly status report of all vacancies on County committees appointed by the Board of Supervisors with each member of the Board and shall post a copy on the Clerk of the Board’s internet website.
- d. Upon the establishment of a new committee by the Board of Supervisors or receipt of a written notice of an unscheduled vacancy on a committee, whether due to resignation, death, termination or other causes, the Clerk of the Board of Supervisors shall officially post said vacancies for public review.
- e. All unscheduled vacancies on committees appointed by the Board of Supervisors shall be

posted on the Clerk of the Board’s internet website and other designated locations, as required by Government Code Section 54974, within 20 days after the vacancy occurs and no appointment shall be made to the position for 10 working days after posting, except on an acting basis in any emergency. New committees become unscheduled vacancies. On or before December 31st of each year, the Clerk of the Board of Supervisors shall prepare and publish an annual list of all committees appointed by the Board of Supervisors, in accordance with Government Code 59472. The list contains all appointive terms which are currently vacant and those that will expire as of December 31st of the following year.

- f. Members of the public interested in serving on a County Board, Commission or Committee shall complete an application and forward to the Clerk of the Board for filing. Applications shall be maintained for a period of two years or as specified by the County’s Records Retention Schedule. After the retention period, it is necessary to file a new application to be considered.
- g. The Clerk of the Board of Supervisors shall place nominations for committee appointments on the regular agenda, listing all supervisorial nominations by Supervisorial District on the Administrative Agenda.

2. Nominations by Supervisors/Chairperson:

- a. The Supervisor's office shall provide a letter of nomination to the Clerk of the Board.
- b. When a board, commission or committee spans multiple districts through its geographic boundaries and the bylaws or formation regulations do not describe which Supervisorial District has the nominating authority, the Supervisor whose District has a preponderance of the population shall submit the nomination. If more than one Supervisorial District has an equal amount of the population, the Clerk of the Board shall identify a rotation for the nominations.
- c. For appointments made by the Chairperson, the Chairperson's office shall provide a letter of nomination to the Clerk of the Board.
- d. The Clerk shall review to ensure that the nomination meets appointing requirements and all appropriate postings have been conformed to, and shall place on the next agenda on the appointments Board letter.

3. Nominations by the Full Board:

- b. The Chairperson shall consider all nominations and provide a letter of nomination to the Clerk of the Board.
- c. The Clerk shall review to ensure that the nomination meets appointing requirements and all appropriate postings have been conformed to, and shall place on the next agenda on the appointments Board letter.

4. Nominations by Other Agencies or Advisory Boards:

- a. The agency or advisory board shall provide a letter of nomination to the Clerk of the Board.
- b. The Clerk shall review to ensure that the nomination meets appointment requirements and all appropriate postings have been conformed to, and shall place on the next agenda on the appointments Board letter.

E. ADVISORY COMMITTEE POLICIES AND PROCEDURES:

1. Governing Rules

Conduct and operation of advisory committees is governed by this policy, and the establishing authority for the committee as well as Standing Rules of Order or By-laws adopted by the committee and approved by the Board of Supervisors. All members of County boards, commissions, and committees are expected to abide by the Code of Conduct in Attachment A of this policy.

By-laws of advisory committees shall contain the following sections and information (exceptions may be made to cover unique situations).

F. DEFENSE OF ADVISORY COMMITTEE:

1. Committee members qualifying as employees or servants of San Diego County:

The members of advisory committees qualify as employees or servants of the County of San Diego, if they meet the following criteria.

- A. The advisory committee was established by an ordinance, resolution or other order of the Board of Supervisors.
- B. The membership of the advisory committee is identifiable.
- C. The member was appointed as a representative of the County by the Board of Supervisors; or the member was appointed pursuant to an ordinance, resolution or order of the Board of Supervisors which provides for his/her appointment by some other County official or other person or entity
- D. The powers, duties, purposes or functions are established by the Board of Supervisors or under the authority of the Board of Supervisors.
- E. The powers, duties, purposes or functions require the member to perform specified services for the County, such as representing the County or investigating, examining,

BOARD OF SUPERVISORS POLICY**

reporting and recommending on issues to the County, and these powers and duties place them under the control of the Board of Supervisors, or someone delegated by the Board of Supervisors, or if the services are not specified, the Board of Supervisors or a County official designated by the Board of Supervisors can direct them to provide a specific purpose for the County.

- F. Sub-committees of the advisory committees will not be covered for defense and indemnification as a general rule. Those advisory committees requesting such coverage for specific sub-committees will request this by Board letter, accompanied by by-laws revisions which designate the sub-committees in question as standing sub-committees, stipulate the membership, and the scope of the responsibilities of such sub-committees. On Board action, these sub-committees shall then be covered under this Board Policy for defense and indemnification.

A member of an advisory committee shall be entitled to defense and indemnification in civil actions brought against that member for injury resulting from acts or omissions within the scope of employment, to the same extent as authorized for County employees.

2. Indemnification Policy:

It is the policy of the Board of Supervisors:

- A. To defend and indemnify, in the manner authorized for defense and indemnification of County employees under Division 3.6 (commencing at Section 810) of Title I of the Government Code, any member of a County advisory committee meeting the criteria set forth above, against any claim or injury resulting from acts or omissions within the scope of employment, if in addition the following circumstances exist:
 - 1. The alleged act or omission occurred during a lawful meeting of the recognized advisory committee or at a lawful meeting of a sub-committee appointed by the advisory committee at a lawful meeting and required to report action back to the advisory committee at a lawful meeting.
 - 2. The alleged act or omission was within the reasonable scope of duties of the advisory committee as described within the establishing authority for that advisory committee including this Board Policy and was not in violation of any of the provisions of the establishing authority, this policy, or the regularly adopted by-laws of the advisory committee.
 - 3. The member has reviewed the orientation materials noted in Section E.5 of this policy prior to the alleged act or omission.

4. The member has made a request in writing to County Counsel for defense and indemnification within five (5) working days of having been served with legal papers.
5. The member has performed his/her duties in good faith with such care, including reasonable inquiry, as an ordinarily prudent person in a like position would use under similar circumstances.

It should be recognized that, under Division 3.6 (commencing at Section 810) of Title 1 of the Government Code, and as authorized therein, among other things, the County of San Diego may decline to represent a member of a advisory committee who would otherwise be entitled to defense and indemnification under this policy if:

6. The member does not reasonably cooperate in good faith with County Counsel in the defense of the claim for action.
7. The members acted or failed to act because of fraud, corruption, actual malice or bad faith.
8. The member is part of an advisory committee which does not meet the criteria for qualification as a "public employee."

B. In the event County Counsel determines that a member of a advisory committee is not entitled to or should not receive a defense and indemnification under this policy, the County Counsel will promptly advise the advisory group member and either the Supervisor who nominated the member for appointment or the Chairperson of the Board and the Supervisors in whose district the member resides, if the member was nominated/appointed by other than a member of the Board of Supervisors. It will be the responsibility of the Supervisor to bring the matter before the Board for further consideration.

C. Nothing in this policy authorizes the County of San Diego:

1. To pay any part of a claim or judgement as is for punitive or exemplary damages.
2. To take any action not authorized by law.

D. This policy applies only to County advisory committees authorized and/or recognized by the Board of Supervisors, and under this Board Policy, and to County of San Diego representatives on advisory committees for other jurisdictions.

- c. The Clerk of the Board will package all committee responses and provide copies to each member of the Board, the Chief Administrative Officer and Communications Received for Board of Supervisors Official Records.

**Proposed Code of Conduct for County of San Diego
Boards, Commissions, Committees, Planning and Sponsor Groups**

***Preamble:** The County of San Diego's (County's) wide range of boards, commissions, committees, and planning and sponsor groups serve a critical role as a mechanism for civic engagement. While no single code of conduct can address the varied board, commission, committee and planning and sponsor group circumstances, the purpose of this universal Code of Conduct is to create standards and expectations of conduct that align with the County's values and the "Code of Civil Discourse" from the National Conflict Resolution Center as adopted by the County's Board of Supervisors.*

All members of County boards, commissions, committees and planning and sponsor groups are expected to abide by this Code of Conduct.

By our conduct, we create an environment in which we adhere to and pledge to uphold the following values:

- We acknowledge that the principal function of County of San Diego boards, commissions, committees and planning and sponsor groups (or representatives) is public service, and we therefore commit to serving the public interest and promoting the greatest public good.
- We recognize that our actions impact the community's trust in the County and government as a whole and commit to act with honesty and integrity.
- We commit to vigilance in avoiding bias or conflict of interest whether they be real or perceived, acknowledging that even the perception of such corrodes public trust.
- We commit to fairness, impartiality, active listening, and consideration of all points of view by setting aside our personal agendas, affiliations, and biases. We make informed decisions after carefully weighing relevant data and assessing the merits and possible impacts.
- We recognize that diversity is a strength and commit to promoting an inclusive and welcoming culture at public meetings and with each other to foster participation and representation across all our varied communities.
- We practice civility by fostering a professional environment of courteous, respectful, and equitable treatment of our fellow members, elected officials, County staff and the residents we serve, through our words and actions whether we agree or disagree.
- We are committed to fostering an environment free from violence, discrimination, intimidation, or harassment of any kind.
- We are committed to transparency, access to information, and promoting broad public engagement.
- We will respect and comply with all applicable laws, regulations, and County policies including Board of Supervisors' Policy A-74, "Participation in County Boards, Commissions and Committees," the County's Code of Ethics, the Political Reform Act, and the Ralph M. Brown Act.

Each individual board, commission, committee or planning and sponsor group may adopt additional standards of conduct based on specific needs. Any code of conduct violations should be addressed according to the bylaws adopted by that board, commission, committee or planning and sponsor group.
