**SENIOR
HOMELESSNESS:
A NEEDS ASSESSMENT**

SEPTEMBER 2021

Why a Needs Assessment?

- Despite dramatic increases in older adult homelessness, little to no attention from elected/appointed officials, the public and philanthropy.
- Applied for and received \$100k grant from the Hearst Foundation to conduct comprehensive needs assessment.

Key Findings

- Homeless due to **lack of an economic safety net**, catastrophic event
- 56% need **\$300** or less of monthly income to increase their rent security
- Avoiding shelters
- Less than 45% of service providers have **gerontological training**

“Older adults possess specific age-related obstacles contributing to their risk of becoming homeless.”

Dear Chairwoman Stabenow, Ranking Member Boozman, Chairman Thompson, and Ranking Member Scott:

On behalf of the County of San Diego, and the 3.3 million residents who call our region home, I would like to share with you our priorities and recommendations for the 2023 Farm Bill. Though San Diego is known for our beaches and coastline, our \$1.75 billion agriculture economy with about 5,000 small farms remains a vital economic engine for our region. At the same time, like many other large counties, 1 in 4 San Diegans are identified as food insecure. The nutrition title of the Farm Bill provides many vital nutrition lifelines to so many residents in our County. The Farm Bill reauthorization process provides Congress an opportunity to lay out its policy direction for the next five years, policies aimed at addressing food insecurity, agricultural trade, conservation efforts, agricultural research, and farming communities. Compiled below are the County's priorities for the 2023 Farm Bill, priorities we hope the respective committees of jurisdiction will consider as they craft and negotiate the final piece of legislation.

Nutrition Programs

The County of San Diego administers CalFresh, California's Supplemental Nutrition Assistance Program, and other assistance nutrition programs. Over 350,000 San Diegans are enrolled in SNAP, with thousands more eligible who are not electing to receive the benefit. For some, it is a lack of outreach that leaves many unaware they qualify for the benefit, while for others more stringent requirements or time limits leave many feeling it is not worth their time to apply for

programs like SNAP. With emergency SNAP allotments ending earlier this year and with new work requirements changes to SNAP, there is a greater need not just for a robust benefit amount, but increase in outreach efforts. The County encourages the committee to consider the following:

- Keep in place recent Thrifty Food Plan recalculation and provide funding to ensure SNAP benefit keeps pace with inflation
- Allow state waivers that expand access to SNAP to remain
- Retain Broad-Based Categorical Eligibility, which allows many San Diego families with low incomes to be eligible for SNAP
- Expand resources for SNAP-Ed programs, especially resources for states to conduct outreach to populations now exempt from work requirements
- Remove barriers to access SNAP for college students by including attending college part time as a form of acceptable work to meet work requirement standards
- Increase limits on income to reflect higher cost of living in states like California
- Modify the earned income limits to only count net income, rather than gross income, towards SNAP qualification
- Expand allowable expenses to align with basic needs for the 21st century such as the cost of internet access

Animal and Plant Health Programs

San Diego County is a major port of entry for goods, whether it's across the border with our neighbor Mexico or through our Port. However, with this vast amount of trade comes an increased risk of invasive species and diseases.

- Support continued and increased funding for the Plant Pest and Disease Management and Disaster Prevention Program.
- Support pest prevention and exclusion system coordination across Federal, Tribal, State, and County programs that effectively prevent and eradicate invasive agricultural pests.
- Increase funding necessary to optimally support California's Detector Dog Team Program.
- Support increasing investments in nutrition and food assistance programs to address food insecurity, strengthen local/regional food systems, and support the overall health of individuals.

Conservation Programs

The natural beauty of San Diego County is the result of careful conservation and thoughtful policies. Conservation programs included in the Farm Bill should keep their robust funding in order to help localities further our conservation and climate goals.

Research

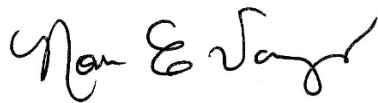

As the climate changes and new pests emerge, research support remains a vital component to the Farm Bill. In San Diego County, it is important to make sure that our agricultural economy is best prepared for the environment of the future by supporting research in agricultural science.

Rural Development

When many think about San Diego, often what comes to mind is our beautiful coastline and beaches. However, a significant part of San Diego County is deemed to be rural. Diminished access to broadband internet remains a problem for rural businesses, health care providers, and public safety. As the County also looks to increase the electric car charging infrastructure in rural communities, ensuring access to high-speed internet is essential for the growth of charging infrastructure outside urban or densely populated areas. Rural development programs in the Farm Bill, including funding for broadband, are essential to address longstanding equity issues.

The County of San Diego urges you and your fellow committee members to consider these priorities in this year's Farm Bill reauthorization and urge speedy consideration of the legislation in order to ensure there is no delay in the vital services funded by the Farm Bill.

Sincerely,

NORA VARGAS

SB 819 - Medi-Cal: Certification	2/17/2023	This bill does not impact county operations. This bill would additionally exempt from the Medi-Cal enrollment procedures an intermittent site or mobile health care unit that is operated by the above-described government-run license-exempt clinic if that clinic has notified the department of its separate locations, premises, sites, or units.	Medi-Cal	Support	6/26/2023: Active Bill - From committee with author's amendments. Read second time and amended. Re-referred to Com. on HEALTH.
SB 870 - Medi-Cal: Managed Care Organization Provider Tax	2/17/2023	This bill does not impact county operations. This bill extends the tax on managed care organizations which is used to fund the non-federal share of provider reimbursement.	Medi-Cal	Support	5/18/2023: Active Bill - May 18 hearing: Held in committee and under submission.
SB 770 - Health Care: Unified Health Care Financing	2/17/2023	This bill requires the Secretary of the California HHSA to enter discussions with the federal government to obtain a Medicaid waiver to establish single payer health care coverage in CA. The bill also requires the secretary to create a workgroup of stakeholders to advise on the transition to single payer and provide a report to the legislature with recommendations no later than 6/1/2024. While establishing single payer health care would have a profound effect on Medi-Cal operations, the bill requiring a workgroup and recommendations does not impact county operations.	Medi-Cal	Support	6/28/2023: Active Bill - From committee: Do pass and re-refer to Com. on APPR. (Ayes 10. Noes 4.) (June 27). Re-referred to Com. on APPR.
AB 1481 - Medi-Cal: Presumptive Eligibility	2/17/2023	This bill would change the language in law for the presumptive eligibility for women program to include all pregnant people and the name of the program from Presumptive Eligibility for Pregnant Women to Presumptive Eligibility for Pregnant People (PE4PP). The bill would also allow children under the age of 26 who are pregnant and can consent to medical care to be determined eligible to presumptive eligibility through a qualified hospital. The changes require federal approval prior to implementation.	Medi-Cal	Support	6/12/2023: Active Bill - In committee: Set, first hearing. Hearing canceled at the request of author.
AB 1514: Public Social Services: Student Eligibility	2/17/2023	This bill would require that a workgroup is created to provide recommendations for data usage from Free Application for Federal Student Aid (FAFSA) by county welfare departments. The data will then be used to prepopulate applications for students to receive public social services. The workgroup would be comprised of members of County Welfare Directors Association of California. The bill would require those recommendations to be submitted to the Legislature by December 31, 2024.	CalWORKs/CAPI/GR/CalFresh/Medi-Cal	Support	5/18/2023: Active Bill - In committee: Held under submission.

H.R. 3520: The Veteran Care Improvement Act	5/18/2023	This bill will improve the provision of care and services under the Veterans Community Care Program of the Department of Veterans Affairs, and for other purposes.	OMVA	Support	6/21/2023: Active Bill - Subcommittee Hearings Held
SB 9	12/5/2022	This bill would expand the dependency and jurisdiction of the juvenile court to the age of 22 years if the court finds that the NMD is experiencing homelessness or is at risk of homelessness (if not under the jurisdiction of the juvenile court). This bill would also expand the age limit for NMDs to be eligible for cash aid to the age of 22. The provisions of this bill would increase the number of customers who qualify for NMD CalWORKs aid.	CalWORKs	Support, if amended	6/27/2023: Active Bill - From committee: Do pass and re-refer to Com. on APPR. with recommendation: To consent calendar. (Ayes 11. Noes 0.) (June 27). Re-referred to Com. on APPR.
AB 94 - Administration of Public Social Services-Blocked Telephone Calls	1/9/2023	This bill would prohibit outgoing calls from displaying a blocked phone number. The bill would impose a state mandated local program.	CalFresh	Watch	5/18/2023: Active Bill - In committee: Held under submission.
SB 85 - Immigration – Case Management and Social Services	1/13/2023	This bill would reallocate state funds in order to expand the Reception and Placement Program (commonly known as R&P in California) for refugees and asylees. The reallocated funding would allow recipients of the funding to provide an additional 90 days of state funded R&P case management services to refugees and asylees. Because San Diego is a refugee impacted county, San Diego RAs are likely to be eligible for the reallocation of funds from nonimpacted counties. There will be no additional funding allocated for this program extension and the funding will only be available subject to appropriation. As such, this bill would not impact Self-Sufficiency Services staffing or workload.	Self-Sufficiency Services HHSa	Watch	5/18/2023: Active Bill - May 18 hearing: Held in committee and under submission.
SB 242 - California HOPE for Children Trust Account Program	1/25/2023	The bill would require eligibility workers to not consider California Hope, Opportunity, Perseverance, and Empowerment (HOPE) Trust accounts as property for the purposes of determining eligibility for means tested social services programs such as Medi-Cal, CalWORKs, CalFresh, General Assistance, Medi-Cal, Kinship Guardianship Assistance Payment, Adoption Assistance Program (AAP), and Cash Assistance Program for Immigrants (CAPI).	CalWORKs/CAPI/GR/CalFresh/Medi-Cal	Support, if amended	6/8/2023: Active Bill - Referred to Com. on HUM. S.
AB 310 - CalWORKs	1/26/2023	This bill would reduce current workload regarding CalWORKs school attendance, deprivation and immunization as it would eliminate the deprivation rule that decreases CalWORKs benefits for school attendance if a child in the AU who is age 16 or over is not attending school or participating in Welfare-to-Work or immunization penalty if the children under the age of 6 is not up to date with their immunizations.	CalWORKs	Support, if amended	6/27/2023: Active Bill - In committee: Set, first hearing. Hearing canceled at the request of author.
AB 435 - Public Social Services: Automated Application Process	2/6/2023	This bill would require CalSAWS to accept and process electronic applications for additional cash assistance programs including the Cash Assistance Program for Immigrants (CAPI), the Trafficking and Crime Victims Assistance Program (TCVAP) and Refugee Cash Assistance (RCA). This bill would require that customers have access to apply for these cash assistance programs online by December 1, 2024. This bill would require that automation activities to be prioritized over county initiatives.	CalWORKs/CAPI	Support, if amended	5/18/2023: Active Bill - In committee: Held under submission.
SB 311 - Medi-Cal: Part A Buy-In	2/6/2023	The bill requires the state to enter into a Medicare Part A buy-in agreement with the Centers for Medicare and Medicaid Services (CMS). Currently, the state pays Medicare part A buy-in for customers who don't qualify for free Part A and qualify for the Qualified Medicare Beneficiaries Program (QMB). It is not clear to what extent the State is expanding Part A buy-in payments under the proposed agreement in the bill.	Medi-Cal	Watch	6/13/2023: Active Bill - From committee: Do pass and re-refer to Com. on APPR. with recommendation: To consent calendar. (Ayes 15. Noes 0.) (June 13). Re-referred to Com. on APPR.
SB 333 - Homeless Pupils: California Success, Opportunity, and Academic Resilience (SOAR) Guaranteed Income Program	2/7/2023	This bill would exempt SOAR Guaranteed Income Program award received by a 12th grade student experiencing homelessness from being considered as income or resource for purposes of determining CalWORKs, CalFresh, Medi-Cal, CAPI, and/or General Relief eligibility. Additionally, this bill will encourage students to continue their education. The bill would benefit customers, as the provisions would allow for less income to be counted when determining eligibility. As a result, customers who would otherwise be ineligible, receive a lower benefit amount, or less beneficial program, would become and/or remain eligible to the programs affected by this bill and associated supportive programs (or would not have a reduction in their benefits).	CalWORKs/CAPI/GR/CalFresh/Medi-Cal	Support, if amended	7/3/2023: Active Bill - From committee with author's amendments. Read second time and amended. Re-referred to Com. on ED.
AB 564 - Medi-Cal Enrollment	2/8/2023	The bill requires the Department of Health Care Services to allow applicants and providers to submit to submit electronic signatures for all enrollment forms, including, but not limited to, claims and remit forms, in the Medi-Cal program.	Medi-Cal	Watch	6/14/2023: Active Bill - Referred to Com. on HEALTH.
AB 596 - Early Learning and Care: Rate Reform	2/9/2023		CalWORKs	No Analysis Attached	7/5/2023: Active Bill - From committee: Do pass and re-refer to Com. on APPR. (Ayes 7. Noes 0.) (July 5). Re-referred to Com. on APPR.

AB 712 - CalFresh: hot and prepared foods	2/13/2023	CalFresh and California Food Assistance Program (CFAP) households that are experiencing homelessness or contain an elderly or disabled individual may purchase hot and ready to consume meals. The bill would extend the option to all CalFresh and CFAP households	CalFresh	No Analysis Required	6/20/2023: Active Bill - From committee: Do pass and re-refer to Com. on APPR with recommendation: To Consent Calendar. (Ayes 5. Noes 0.) (June 19). Re-referred to Com. on APPR.
SB 491 - Public Social Services: County Departments	2/14/2023	This bill would require counties to develop and implement a program to ensure residents without a permanent mailing address have a place to receive and pick-up all government related (includes city, county, state, federal, and contracted agencies) mail. The bill does not provide detail on how it should be implemented.	ORKs/CAPI/GR/CalFresh/Med	Watch	7/3/2023: Active Bill - From committee with author's amendments. Read second time and amended. Re-referred to Com. on HUM. S.
SB 773 - CalWORKS: Homeless Assistance	2/17/2023	This bill would require benefit calculation for the PHA program to include benefits received from other government and nonprofit housing and homeless subsidy programs and any regularly received private support intended or designed to help the family with housing. This would not benefit customers because currently any housing subsidies received are deducted from the customer's housing obligation.	CalWORKs	Support, if amended	6/8/2023: Active Bill - Referred to Com. on HUM. S.
