

HOUSEHOLD HAZARDOUS WASTE

Word Scramble

Find the household hazardous wastes in the word search below

Many common household products, especially those labeled "**Caution, Warning, Danger, Poison, Toxic, Flammable or Corrosive**" are considered hazardous and need to be handled and disposed of properly.

You can help the environment by reducing your use of these products and by properly disposing of any leftovers at an appropriate household hazardous waste collection facility.

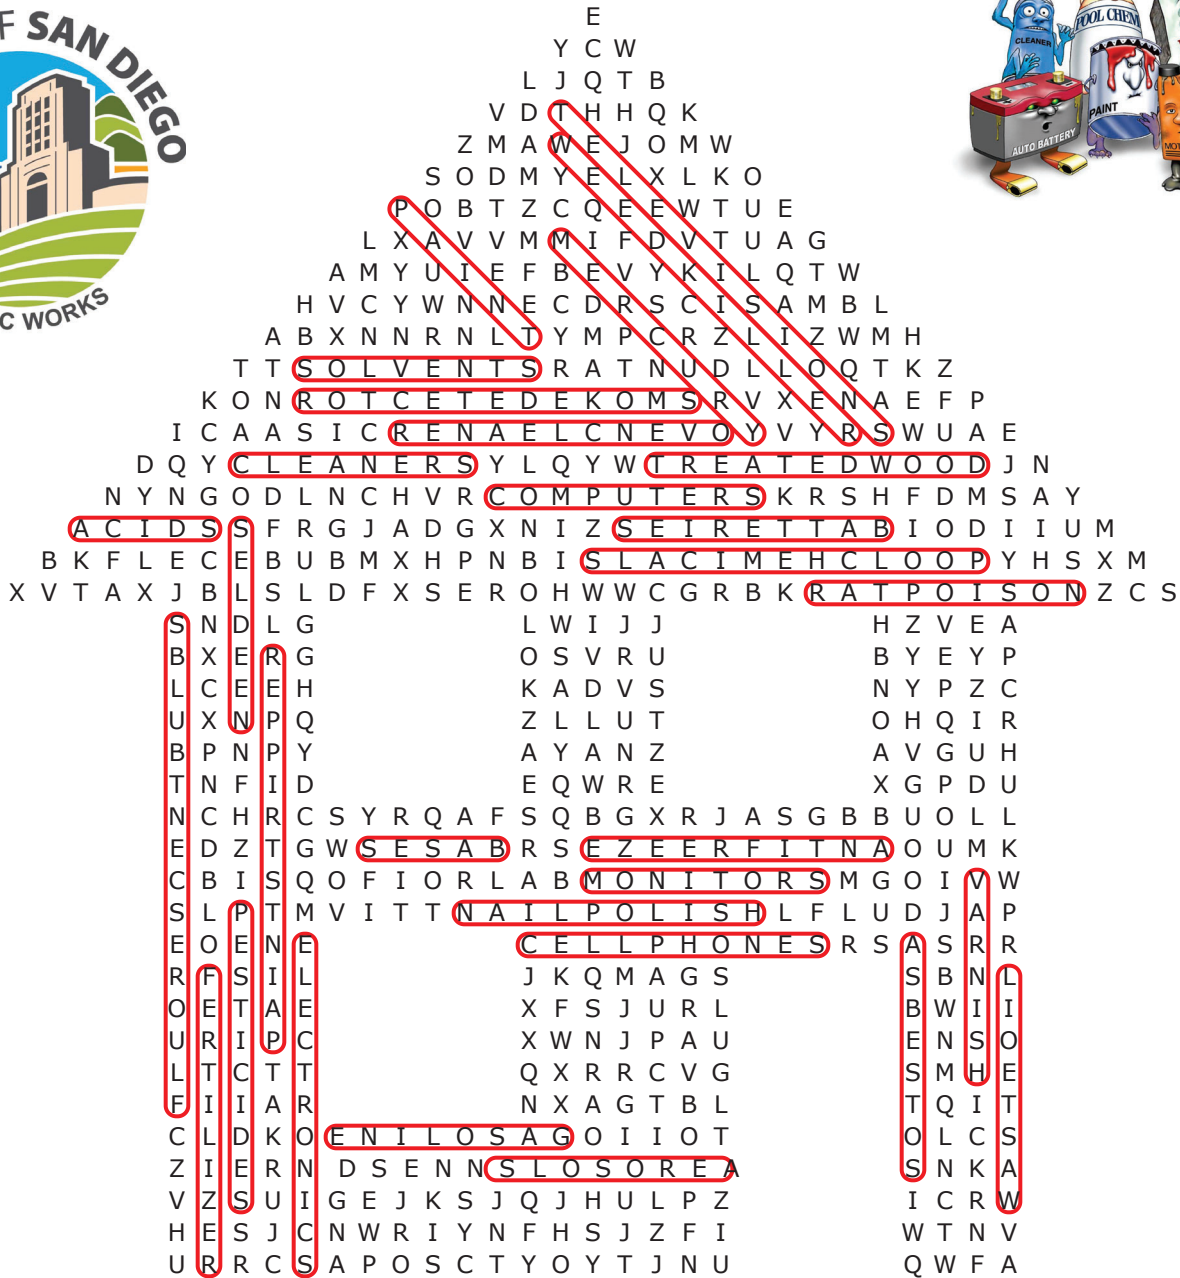

****Words can be backward, forward or diagonal**
