E. Action items: (Agenda items may be taken out of order upon request.)

1. Discuss Group Recommendation on Discretionary Permit Application by Verizon Wireless PDS2024-MUP-24-016 -New Cellular Tower-Next to Chevron Gas Station at Freeway 8 Exit to Jacumba

This new tower will be ~2 miles line of sight from town. It will replace transceivers on the Chevron sign with a dedicated 75’ cell tower. General discussion concluded that the “fake tree” design is hokey and a plain tower or even an obelisk/monument might be preferable. Jeff offered to reach out to Reagan to ask if alternative designs are available for review.

2. Community interface reports.

a. Highland Senior Center- Tanya encourages residents to attend the early Thanksgiving dinner on November 16 from 11:00 to 1:30 sponsored by the Methodist Church and Reagan Shallal at the Senior Center. She is planning a Thanksgiving day dinner in the early afternoon with a \$12 suggested donation. A music night is in the works for December, probably Christmas themed.

b. Real East County Fire Safe Council – No updates.

c. Jacumba Boulevard revitalization Alliance (JBRA). No updates.
