Smith said business e-mail no longer works, will send his current e-mail.
This is a comprehensive topic and doesn't just have to do with business. Need to form a group to go out and gather information. Should also invite people to this meeting to get feedback. Not much to report on that hadn't discussed in previous meeting.

Rebecca said we have already been to the Supervisor Anderson about this and he wasn't interested in taking up the subject. Barbara said that she knows of people who do this on their own. Everett said County is going to go after people who aren't paying taxes. But perhaps more important is that it affects the quality of life of people who live in Julian.
