San Diego County Planning Commission How to Comment on Meeting Agenda

Here are the ways you can share your opinions!

Submit an eComment

To voice your opinion for upcoming Planning Commission meeting agenda items, use the eComment service. You can start submitting eComments when the agenda is released, typically 10 days before the hearing. The eComments are sent to the Planning Commissioners and the Director of Planning & Development Services for their review.

Public communication eComments for non-agenda items will be read into the record at the Planning Commission Meeting. Public comments on agenda items will be available to view online after the meeting and the number of comments received on each agenda item will be stated during the meeting. All eComments will be entered into the administrative record of the meeting.
