RE: Newland Sierra Project

Dear Ms. Smith:

Thank you for the opportunity to review and comment on the Newland Sierra development project located North of Deer Springs Road and West of I-15.

Upon review of the preliminary site plans received by North County Transit District (NCTD) on June 16, 2017, NCTD finds the design as proposed appears to be consistent with NCTD standards and does not appear to impact the bus stops in the vicinity of the project.

Thank you again for allowing NCTD to review and comment on this project. Should you have any questions related to this review, feel free to contact me at (760) 966-6708 or via email at dblythe@nctd.org.

Sincerely,

Damon Blythe
Deputy Chief of Transit Operations, Planning
