DRAFT ENVIRONMENTAL IMPACT REPORT (EIR) PUBLIC REVIEW MEETING COMMENT SHEET

We have lived at the top of Twin Oaks Crest Drive for 28 years, and have owned our property, 9.2 acres, for 32 years. I have ridden my horses all over the area where the Newland Sierra development is planned.

I think it's a bad idea to develop this area. The future traffic will be almost unbearable to everyone using the roads, as well as to the people already living here. The blasting & dust & construction will annoy us for many years.

Have we forgotten that we live in a drought area? Water shortage? Potential fires?

You've heard it all before, but I object to this project.
