Re: NEWLAND SIERRA, LOG NO. PDS2015-ER-15-08-001; SCH NO. 2015021036. PROJECT NUMBERS: PDS2015-GPA-15-001, PDS2015-SP-15-001, PDS2015-REZ-15-001, PDS2015-TM- 5597, PDSXXXX-HLP-XXX

Dear Ms. Smith:

A few months back I read an article in the Union Tribune that the Golden Door Spa opposes the Newland Sierra Project. It turns out, Golden Door is now owned by the wife of a billionaire. Golden door even went as far as to say they would consider gathering signatures for a referendum to overturn the Supervisors' approval. That is absolutely outrageous.

I can adamantly say that a spa that charges \$10,000 a week to stay does not speak for me. When we have a housing crisis on our hands, they will turn to using highly paid lobbyists, lawsuits and endless resources to oppose something that is needed in the region. They will not get my vote. And what happens should Newland build what they are entitled, 99 homes and 1,700,000 square feet of commercial and office space, will Golden Spa pull the same stunt?

I voted for my County Board of Supervisors to speak for me, and to represent my interest. Golden door is just going out of their way to undermine that process. That is just unacceptable, and they will never have my vote.

Thank you for allowing me to comment on the project.
