Dear Ms. Smith,

I support the Newland Sierra plan because it will provide the San Diego region with quality housing that is so desperately needed. Newland has proven to be a vital part of quality community development in San Diego County for many years, and Newland Sierra's plan is a thoughtful approach to provide a variety of housing, beautiful parks and trails -- all while preserving 1,200 acres of open space that we may all enjoy. Our area needs quality housing just like this planned in a smart way.

I-94-1

Thank you for your time.

Sincerely,

Dick Daniels
