

I-403 Laura Walker (1)

I -403-1 The commenter explains that she objects to the Project and believes that the \$18 million that was spent to discourage development was a waste of good money. The comment states that the County revealed that the Project would result in significant and unavoidable impacts and many of the citizens that live in the County would be negatively impacted. The comment states that the developers state that steps will be taken to lessen the impact, but they would not have to live through the mess that would be created. The comment states that the citizens in the area have been through this in the recent past, but the opinions of the citizens have not changed. The comment states that the Planning Commission and Board of Supervisors must support those in objection to the Project.

Please refer to Topical Response LU-1. The County acknowledges the comment and notes it expresses the opinions of the commenter, and does not raise an issue related to the adequacy of any specific section or analysis of the Draft EIR. The County will include the comment as part of the Final EIR for review and consideration by the decision-makers prior to a final decision on the project. No further response is required or necessary.
