WRITTEN COMMENT FORM

The Traffic review for this development needs to include not only normal commute traffic daily school related trips. The proposed number of homes in Harmony Grove Village Sc added to those of Harmony Grove Village and the proposed number for Valiano in nearby raises the new total in Harmony Grove/Eden Valley to over 1500. With an estimated two household, that would be over 3000 additional children living in this area over and above already there. There are no schools in the Harmony Grove/Eden Valley area and, to date been no requirement that the builders either build any schools or set aside any land for scl

The school district serving this area only provides transportation for students with special There is no busing for the general school population. There is also no public transportat area. Individual families providing transportation for their children to their respective sch substantially increase the daily trip average. Low income families without adequate trar options may have an especially difficult time getting their children to distant schools.
