## County Update to Groundwater Regulations

---

Presented By: Jim Bennett, PG, CHG

Water Resources Manager

County of San Diego – Planning & Development Services

March 2, 2023

# Update to County Groundwater Regulations

---

- **Amend San Diego County Groundwater Ordinance**
  - Future water use subject to 2021 Superior Court Judgment for Borrego Basin
  - All projects in Borrego Basin must demonstrate ability to obtain water rights
- **County of San Diego Guidelines for Determining Significance - Groundwater Resources**
  - Requires projects within SGMA Basins to evaluate whether they are consistent with adopted Groundwater Sustainability Plans
  - Requires consultants to be CA Professional Geologist (PG) in lieu of two-step requirement to be a PG on the County CEQA Consultants list

# SGMA Basins in San Diego County
