Dear Mr. Johnson:

I19-1

I have read the comments submitted by Russell Hayes, an adjacent landowner to the land impacted by Property Specific Requests General Plan Amendment, PDS2012-3800-12-005, PDS2014-REZ-14-006; LOG NO. PDS2012-Er-12-00-003; SCH NO. 2015121012, and concur with his comments.

I19-2

As a former litigating attorney in the field of constitutional zoning issues, I do not resist the development of any parcel unless I believe there are substantive environmental issues and/or evidence that the development would create irreparable harm to the character of the surrounding community that negatively impacts the general health, welfare and/or safety of its residents.

Thank you for taking Mr. Hayes' observations under advisement.

Respectfully,

*TJ*
