MARCH 21, 2019 EIR PUBLIC SCOPING MEETING - COMMENT SHEET

Why does this project have to be so close to the community. There is more open land east of here that would not impact people, homes, and community as severely as this current one. What does our community benefit from this project. Seems as if Los Angeles is the only area benefited. There seems to be an agenda against small communities as more and more projects dump on us.

Submit by Mail, Fax or Email. Comments must be received no later than April 8, 2019 at 4:00 p.m.
