Hi Cherry,

That is great news that the sponsor group now has a quorum! I would like to participate in the meeting, however I have a major project going to the Board on March 17th for Boulder Brush. I would like to move it to the following month so that I can participate.

Best,

Nicholas Koutoufidis, MBA

Hi Nick,

I am happy to report that our new Jacumba Sponsor Group members were finally approved at the Mar 3, 2021, BOS meeting. Now that we have a quorum, the community group can discuss and vote on the JVR Energy Park project at our upcoming Zoom meeting which is scheduled for Tuesday, Mar 16th at 5pm.

If possible, I would like you to provide our sponsor group with an update on the project status during our meeting. A discussion and vote on the project will be our first action item. I will send you meeting info if you plan to attend.

If you are not able to participate at the meeting, please provide me with an undated project status via email by March 10th.

Thanks in advance for your prompt response.
