Subject: Quick Q re date of JVR Energy Park application

Hi Donna,
My editor and I hit a snag in our fact-checking. The date on the MUP application I found for the JVR Energy Park is 2018. So is the date on the MUP in the citizen access portal. But there's also a date of 2017 next to a Major Pre Application. **When was this project first proposed to the county?**
Thanks for any help ASAP on this!
Camille
