New eComment for Planning Commission Hearing

Nancy Deal submitted a new eComment.

Meeting: Planning Commission Hearing

Item: 3. JVR Solar; PDS2018-MUP-20-008. If you would like to speak on this item call (619) 343-2539 and use ID 4803 576 046#

eComment: The local landowners and homeowners alike bought in this area for the unique landscape and old California history. This historic town and industrial JVR Solar project just aren't a good match. Any dreams of revitalizing the area would be stalled or completely abandoned when you dismiss the integrity of the land. I believe the damage and impact this would have on the town and its community would be long lasting.
