## New eComment for Planning Commission Hearing

David Wojan submitted a new eComment.

Meeting: Planning Commission Hearing

Item: 3. JVR Solar; PDS2018-MUP-18-022. If you would like to speak on this item call (619) 343-2539 and use ID 4803 576 046#

eComment: Once again destroying natural beauty and wildlife, of our homes and community for profits of foreign investors who do not live here. Additionally absolutely no benefits to long established residents that want to preserve the land and wildlife, and will have profound negative health effects on the residents and wildlife. This will only increase the temperature that both the community and global warming do not need now or ever. This is our home, leave our water, roads, resources, and us alone!!!
