New eComment for Board of Supervisors Meeting

Jeff Osborne submitted a new eComment.

Meeting: Board of Supervisors Meeting

Item: 1. NOTICED PUBLIC HEARING: JVR ENERGY PARK MAJOR USE PERMIT, FIRE PROTECTION AND MITIGATION AGREEMENT, AND ENVIRONMENTAL DOCUMENT

eComment: This developer has gone about this project in all the wrong ways and should have worked with this community as an integral part of its design process considering how close they are building it to the town. They did not reach out to the planning group chair until one week

before the Planning Commission on July 9th. It is clear they have no intention of truly considering the community this project will devastate. Jacumba is a tourism town this is a horrible plan.
