Present Land Use/Zoning/General Plan Designation:

N/A - Countywide Program/Ordinance

Project Description: *(please use a separate page if necessary)*

The County is developing a Socially Equitable Cannabis Program (Cannabis Program) as directed by the Board of Supervisors on January 27, 2021. The Cannabis Program will allow for and establish a permitting and licensing system for new commercial cannabis activities including retail, cultivation, manufacturing, distribution, testing, microbusinesses, and temporary events. Furthermore, the Cannabis Program will contain and be informed by a Social Equity Program, which will provide greater opportunities for individuals negatively or disproportionately impacted by cannabis criminalization and the War on Drugs. Adoption of the Cannabis Program will require amendments to the San Diego County Code of Regulatory Ordinances and Zoning Ordinance to establish licensing and operational regulations for a range of cannabis cultivation and non-cultivation uses authorized under state law.

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.
