

# ME26 and Study Area

| Existing GP Designation(s)                          | RL20 |
|---|------|
| Requestor(s) Position: Support workplan designation |      |
| Area (acres): 680.3 [200 PSR; 480 study area]       |      |
| # of parcels: 15                                    |      |

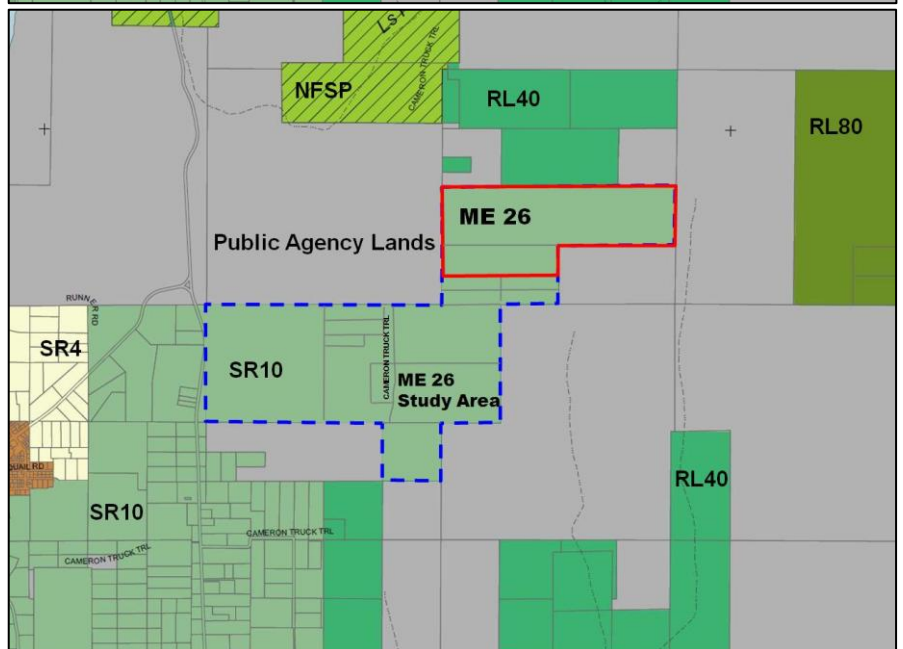

| Workplan Designation(s) Evaluated | SR10       |
|-----------------------------------|------------|
| CPG Position                      | Support    |
| Opposition Expected               | No         |
| # of Additional Dwelling Units    | 22         |
| <b>Complexity</b>                 | <b>Low</b> |

**Discussion:** This request covers a 200-acre property and includes consideration of an additional 480 acres for consistency in mapping. The increase to a Semi-Rural (SR) 10 designation would yield 22 additional dwelling units. The Campo/Lake Morena Community Planning Group voted to support this request on February 27, 2012.
