Dear Ms. Ehsan

I have lived in Elfin forest for 3 years and I still love it more than any other place I've ever visited. The dirt, <sup>lack of</sup> the traffic, the snakes, the trees, even the houses and people are what make Elfin forest what it is, and we would like to keep it that way. We love Elfin forest. <sup>Harmony grove, and Eden</sup> vally for what they are <sup>not what they</sup> could be. So please help us restore our rural communities back to the quiet beautiful out doors that they use to be, not the noisy, full of people towns that <sup>they</sup> <sup>are</sup> trying to create. Please don't <sup>let them</sup> develop anymore.

From,

Fabiola Francesca Thiherge
