

County of San Diego Procurement Forecast

SEPTEMBER 2024

The following pages provide a list of upcoming contracting opportunities with the County of San Diego (County) that are anticipated to post to the County's procurement portal, BuyNet, within the next six months. This list will be updated on a quarterly basis. It is important to note there is a possibility that some of the opportunities in this current forecast may not appear on future lists for a variety of reasons, including but not limited to: funding requirements; legal, policy or other regulatory changes; changes to the anticipated posted date; and/or it has already posted to BuyNet. This is the most current list of upcoming procurements based on information received from County departments and programs.

If you have any questions please feel free to reach out to the County Team:

Active Procurement: Procurement Contracting Officer (listed in solicitation)
