D. Experience Qualifications

State law requires candidates demonstrate experience in areas related to redistricting. Please provide responses to the following questions.

- 1. What experience do you possess that demonstrates analytical skills relevant to the redistricting process and voting rights, and demonstrates your ability to comprehend and apply the applicable state and federal legal requirements?**

I have been a practicing attorney since 1979. I was employed with the Office of County Counsel from 7/6/1998 to 3/14/2019, first as a Senior Deputy County Counsel and later as a Chief Deputy County Counsel. Since approximately 1999, I was primarily responsible for all election law/voting rights litigation to which the County was a party. I believe the number of cases I handled exceeded 100+ cases. In addition, I handled litigation the County initiated against the Secretary of State and negotiated a consent decree with the Federal Department of Justice over voting procedures in the County.

I also was a presenter at numerous election law conferences sponsored by the California County Counsels' Association.

You are encouraged to limit your response to one page, however if more space is needed, you may attach an additional page.

2. What experience do you possess that demonstrates an ability to be impartial?

While, as an attorney, it is my legal obligation to be an advocate for my clients, I feel that I have always worked to find just and ethical resolutions to disputes. I have always treated opposing counsel and their clients with respect and I have been willing to listen to and consider the merits of their positions. I have also attempted to temper my own clients' desires and expectations based on the facts and the law.

For many years, I volunteered as a mediator of fee disputes between attorneys and their former clients for the San Diego County Bar Association. When acting as a mediator, it is important that the participants feel that they have had an opportunity to present their side of the dispute and that someone has listened to their story with an open mind. I feel that I was able to do that and that hopefully, the participants appreciated my efforts to come to a rational and impartial legal decision.

You are encouraged to limit your response to one page, however if more space is needed, you may attach an additional page.

3. What experience do you possess that demonstrates an appreciation for the diverse demographics and geography of the County of San Diego?

I have served as a volunteer Board of Management member for what was the originally known as the Copley Family YMCA (now known as the Copley/Price Family YMCA) for approximately 27 years. The C/P YMCA is located in mid-city and serves some of the impoverished neighborhoods in San Diego. The median income in our service area is only slightly above the federal poverty level. More than 35 different languages are spoken in our service area.

Our Board of Management consists of approximately 35 members and is one of the most diverse Boards in all of the YMCA association. I have served in every leadership position on the Board and chaired the Board on two different occasions. I also chaired the capital fundraising campaign that raised more than \$24 million for a new state of the art, urban YMCA that opened in January 2014. Each year, I have personally donated and have raised thousands of dollars for our annual support campaign as well as other fundraising events throughout the year. This year, I chaired the Major Gifts campaign that helped raise more than \$300,000. 100% of the money raised goes to scholarships for membership and programs for needy children and families.

You are encouraged to limit your response to one page, however if more space is needed, you may attach an additional page.
