Dear Commissioners, the Fallbrook Regional Health District respectfully requests that the communities of Bonsall, De Luz, Fallbrook and Rainbow stay within the boundaries of District 5. Our community is deeply interconnected to the North County, and District 5 in particular. These connections are vital for our how health care, social services, and many other crucial systems are accessed by the community. To remove our community and attach it to District 2 would isolate our residents from their areas of work, services, and recreation. Even though we are unincorporated communities we strongly affiliate with our partner communities of North County, and thus request the we stay part of District 5 in the upcoming redistricting conversation.
