As residents and property owners in Ramona, my husband and I are vehemently opposed to the redistricting plan under consideration that would include Ramona and East San Diego County in Riverside/Imperial Counties representation. We do not do business in either of those counties and do not have business or personal interests in either county. We are in SAN DIEGO COUNTY! We want representation in SAN DIEGO COUNTY where we live and work. We feel that our interests will not be served with this redistricting plan.

Thank you.
