As a resident of Mira Mesa, I am writing to register my support for continuing to refine Draft Map 14. While none are perfect, variations of the draft map 14 best represent different community voices by maximizing AAPI voting power in the coastal district. In contrast, the variations of draft map 13 divide the AAPI communities.

The neighborhoods of Mira Mesa, Rancho Penasquitos, Carmel Valley, Miramar, Linda Vista and Kearny Mesa must be kept together and they should be included in the coastal district. These neighborhoods are all part of the City of San Diego and are all urban. These neighborhoods have almost no common interests with the more rural and unincorporated areas of East County.
