Hello! My name is Michele Lisi-Merzi and I am in favor of 13A.
I have been an Oceanside/Camp Pendleton born and raised for 61 years. My father was a Marine for 20 years straight from American Samoa! Oceanside Vista have been our home! Serving in the Military has been in our family for generations. My grandfathers my father my brothers and my son. My son is a West Point Graduate who played Left Tackle 3/4 years because his grandfather led him. We have been on the Sister City Committee since it's start. Our family believes when our Leader suggest supporting 13A we stand strong with words written. Please take our stance and put Oceanside in 13A. We appreciate your time and energy for this 10 year commitment!
Thank you
